

2019 Annual Report on CEUs for LICSW

Name: Jacob Campbell

License Number: LW60930561

Date: 10/14/19

Purpose: The purpose of this annually generated report is to keep track of the various continuing education that I have completed to be assured that I am meeting my licensure requirements to keep up to date with my LICSW.

Requirements for Renewing LICSW

Information taken from the [Licensed Independent Clinical Social Worker](#) on the Department of Health Website states:

“Social workers must renew their license every year on or before their birthday. Thirty-six hours of continuing education (CE) with six hours in law and ethics is due every two years. Social workers are required to submit the appropriate fee, renewal card and an affidavit of compliance with the continuing education requirement. Beginning with the first full CE period after January 1, 2014, social workers must complete six hours of training in suicide assessment, treatment and management. The training must be repeated once every six years.”

Of these 36 hours that can be completed, only 26 of those hours per reporting period can be using distance learning programs. See [Social Worker and Social Worker Associate Continuing Education Frequently Asked Questions](#) for more details. It states that

“Distance learning programs must be approved by an industry-recognized local, state, national or international organization or institution of higher learning. These programs must require tests of comprehension upon completion. Limit distance learning programs to 26 hours per reporting period.”

The fee for the renew is \$116.00. Information about the fees can be found at [Social Worker and Social Worker Associate Fee Schedule](#).

To renew online I need to access <http://www.doh.wa.gov/hsqa/Renewals.htm>. My SAW Service code is [REDACTED] and my DOH Online Renewal User ID is [REDACTED].
